

Publications- Conference 2023					
S.No	Name of the Faculty	Title of the Paper	Name of the conference	ISBN No	Publisher
1	Karthika Devi M.S. Bhuvaneshwari R. Kavin Pragadeesh K. Ramachandran B.	IPD—An Investment Portfolio Detector Using SEBI API	Information and Communication Technology for Competitive Strategies (Lecture Notes in Networks and Systems)	978-981-19-0097-6	Springer Nature
2	Kalaichelvi N. Easwarakumar K.S.	A Comprehensive Survey on Community Deception Approaches in Social Networks	IFIP Advances in Information and Communication Technology	978-3-031-11632-2	Springer, Cham
3	Saranya M.S. Geetha P.	Fashion Image Classification Using Deep Convolution Neural Network	IFIP Advances in Information and Communication Technology	978-3-031-11632-2	Springer, Cham
4	Sharon A. Mohanraj P. Abraham T.E. Sundan B. Thangasamy A.	An Intelligent Intrusion Detection System Using Hybrid Deep Learning Approaches in Cloud Environment	IFIP Advances in Information and Communication Technology	978-3-031-11632-2	Springer, Cham
5	Prabhu D. Bose S. Anitha T. Logeswari G.	A Six-Point Based Approach for Enhanced Broadcasting Using Selective Forwarding Mechanism in Mobile Ad Hoc Networks	Ubiquitous Intelligent Systems. ICUIS 2021. Smart Innovation, Systems and Technologies	978-981-19-2540-5	Springer Singapore
